

How Your Horoscope Can Bring You Wealth, Love, Success And Happiness.

by NORMAN P. KENNEDY

Did you know your horoscope could mean the difference between happiness or sorrow; between success or failure?

Picture a long room with doors at each end. In this room there is money, attractive persons of the opposite sex, books that tell you the secret of happiness and many other valuable articles. But, also in this room are bottomless pits, traps, hostile persons and dangerous beasts chained in various places around the room. You must walk through this room, but you may take out of it anything you can.

Now if you had a choice, would you choose to 1) go through the room blindfolded or 2) go through the room with your eyes open and with written instructions on which places and people to visit or avoid.

Of course, all of us would pick the second choice in a case such as this. Isn't it ridiculous, then, that we would choose to go thru life, the same situation, blindfolded! Even when there is a means to go thru life with a map and our eyes wide open! The means provided is Astrology. The map is our astrological horoscope.

How does it work? Nature's cosmos imprints each of us at the time of birth - when the umbilical cord is cut. We then become ourselves. Until the cord is cut, we are part of our mother. Why or how we presently do not know. The movement of the large solar bodies then times potentials for events in our lives. Astrology does not cause events but is timing of events. But, it's not fortune telling. It's a prediction of potentials which free will can override.

Here is a common misconception about astrology. Some people say, "how can stars millions of light years away be related to our lives." The error here is the word stars. Astrology deals with the relationship of our lives with the sun, moon, and planets - not stars.

And, anyone who doesn't think that the sun, moon, and planets do not regulate earth and its inhabitants, had better think again. We all know how the moon controls the tides. We have all heard of the famous clam experiments where the clams open and close by the cycle of the moon, sun, and planets. Police departments and insurance companies show exact relations with crime and violence with cycles of the moon, sun and planets. Doctors are finding direct relationships with successful operations and the cycle of the solar bodies. Authenticated research is now proving that astrology can predict natural disasters, wars, diseases a person will suffer, personalities of people and much more.

What does a natal horoscope analysis by a qualified astrologer contain? A natal horoscope analysis contains the best psychological analysis of yourself that you can get today. Because, in a controlled experiment in 1960, astrologers beat psychologists in predicting case histories.

In addition, a natal horoscope analysis includes discussions on the following: financial outlook; taxes and inheritances; early home environment; relationships with family; relatives and parents; love life and marriage; children; career and occupation; hopes; wishes and goals;

and subconscious attitudes. In a major analysis, a one year forecast is also included.

Many people think that astrology only appeals to "way out" unscientific people. Nothing could be farther from the truth. In fact, studies show that astrology appeals most to intelligent and logical people.

Consider these famous scientists: Galileo-astronomer, Carl Jung-psychologist, Johannes Kepler-astronomer, Roger Bacon-mathematician, Tycho Bache-astronomer. Want to know what they all had in common? They all were astrologers themselves or used astrology in their work. Even Albert Einstein was impressed by the accuracy of astrology when he studied it in his late years.

Astrology appeals to people in every walk of life. A horoscope has meant the difference between success and disaster for famous people throughout history. Your horoscope can mean the same to you.

Your horoscope can help you be in the right place at the right time.

Did you know that the three wise men who found the Christ Child were astrologers? The "large star" which guided them to the Christ Child was really a cluster of cosmic bodies which were, as predicted by astrological charts, in line at that particular time. This was the reason it was so bright. This alignment of bodies allowed the wise men to know the time and place of the birth of Christ. Also, Christ chose His 12 apostles according to the 12 astrological signs.

Your horoscope can help you avoid disasters while guiding you to your beneficial opportunities.

Did you know that astrology helped the allies win W.W. II? The allies employed astrologers. The axis powers started out employing astrologers. But, this was ceased early when the famous astrologer, Karl Ernst Krafft, predicted the exact time and place of an attempt on Hitler's life in 1939. Hitler thought the astrologers were conspiring against him, so they were imprisoned.

This proved to be a tragic decision for Hitler. A decision that may have altered the course of the war. Because, if Hitler had studied his horoscope, he would have used different strategy. Why? Because two horoscopes, one of Adolf Hitler, drawn by two different astrologers, in two different countries, at two different times exactly predicted the course of W.W. II.

Hitler did get to see these horoscopes . . . too late. He read them in the last hours of the war as Berlin burned around him. The following is an authentic account of the incident.

Here is a direct quote from THE RISE AND FALL OF THE THIRD REICH, by William L. Shirer:

"They sent for two horoscopes, which were kept in the files of one of Himmler's multitudinous "research" offices. One was the horoscope of the Fuehrer drawn up on January 30, 1933, the day he took office; the other was the horoscope of the Weimer

It is estimated that over 90% of rich and famous people use astrologers. This includes political leaders, film stars, businessmen and scientists. Natal horoscopes of Grace Kelly and Prince Rainier (pictured above) predicted their famous marriage. They both came to America recently to have their current horoscopes done by astrologer Keith Clayton.

Republic, composed by some unknown astrologer on November 9, 1918, the day of the Republic's birth. Goebbels communicated the results of the re-examination of these two remarkable documents to Krosigk.

An amazing fact has become evident, both horoscopes predicted the outbreak of the war in 1939, the victories until 1941, and the subsequent series of reversals, with the hardest blows during the first months of 1945, particularly during the first half of April.* In the second half of April, we were to experience a temporary success. Then there would be stagnation until August and peace that same month. For the following three years, Germany would have a hard time, but starting in 1948, she would rise again."

*Hitler committed suicide in April, 1945. On the other hand, astrologers aided the allies in forecasting the axis moves. The most famous astrologer, Louis de Wohl, employed by British government, predicted the exact events leading to the downfall of Mussolini. He gained the faith of the American military when he predicted Pearl Harbor a year before it happened.

More on avoiding disaster, came these stories from a recent article in the Miami Herald newspaper. The article tells the story of Mary Kelly, a Miami computer programmer, who heeded the advice of her horoscope which warned her of a wrong medical diagnosis. She avoided an unnecessary operation that would have left her a cripple.

Your horoscope can help you understand yourself.

Dr. Ralph Matzner, a psychologist attached to Stanford University's counseling and testing center frequently uses astrology as an adjunct to psychology and psychiatry, not because it's truer, but because "it is much more complex and sophisticated than many present psychological maps or systems."

Your horoscope can bring you wealth. Famous business tycoon J. P. Morgan, used astrology to acquire his fortune. Morgan did not make a financial move without checking his natal horoscope forecast.

From the article in the Miami Herald come these stories:

-Stockbrokers on Wall Street are as likely to call an astrologer in this decade as Hollywood film stars would call a psychiatrist in the last. David Williams, a 75-year-old retired financial expert who lives in Clearwater, has made \$150,000 from the stock market in 13 years by using astrology as an investment guide.

Your horoscope can show you the way to success and happiness in love and marriage. Horoscopes of Grace Kelly and Jackie Kennedy predicted their current successful marriages. Grace Kelly to Prince Rainier of Monaco and Jackie Kennedy to Aristotle Onassis, Greek multi-millionaire.
