

# How your Horoscope can bring you wealth, love, success and happiness.

by Norman P. Kennedy

Did you know your horoscope could mean the difference between happiness or sorrow; between success or failure?

Picture a long room with doors at each end. In this room there are money, attractive persons of the opposite sex, books that tell you the secret of happiness and many other valuable articles. But, also in this room are bottomless pits, traps, hostile persons and dangerous beasts chained in various places around the room. You must walk through this room, but you may take out of it anything you can.

Now if you had a choice, would you choose to 1) go through the room blindfolded or 2) go through the room with your eyes open and with written instructions on which places and people to visit or avoid.

Of course, all of us would pick the second choice in a case such as this. Isn't it ridiculous, then, that we would choose to go through life, the same situation, blindfolded! Even when there is a means to go through life with a map and our eyes wide open! The means provided is **Astrology**. The map is our astrological horoscope.

How does it work? Nature's cosmos imprints each of us at the time of birth — when the umbilical cord is cut. We then become ourselves. Until the cord is cut, we are part of our mother. Why or how we presently do not know. The movement of the large solar bodies then times potentials for events in our lives. Astrology does not cause events but is timing of events. But, it's not fortune telling. It's a prediction of potentials which free will can override.

What does a natal horoscope analysis by a qualified astrologer contain? A natal horoscope analysis contains the best psychological analysis of yourself that you can get today. Because, in a controlled experiment in 1960, astrologers beat psychologists in predicting case histories.

In addition, a natal horoscope analysis includes discussions on the following: financial outlook; taxes and inheritances; early home environment; relationships with family, relatives and parents; lovelife and marriage;

children; career and occupation; hopes; wishes and goals; and subconscious attitudes. In a major analysis, a one year forecast is also included.

Many people think that astrology only appeals to "way out" unscientific people. Nothing could be farther from the truth. In fact, studies show that astrology appeals most to intelligent and logical people. Famous scientists Galileo, Carl Jung, Johannes Kepler, Roger Bacon, Tycho Bache and Albert Einstein all believed in astrology.

Your horoscope can help you be in the right place at the right time.

Your horoscope can help you avoid disasters while guiding you to your beneficial opportunities.

Did you know that astrology helped the allies win World War II? The allies employed astrologers. The axis powers started out employing astrologers. But, this was ceased early when the famous astrologer, Karl Ernst Krafft, predicted the exact time and place of an attempt on Hitler's life in 1939. Hitler thought the astrologers were conspiring against him, so they were imprisoned.

Hitler turned back to astrology — too late. He read his horoscope in the last moments of the war as Berlin burned around him.

More on avoiding disaster, came these stories from a recent article in the Miami Herald newspaper. The article tells the story of Mary Kelly, a Miami computer programmer, who heeded the advice of her horoscope which warned her of a wrong medical diagnosis. She avoided an unnecessary operation that would have left her a cripple.

The Miami Herald also tells the story of astrologer Clifford McMullen, who is George McGovern's personal astrologer. He warned McGovern that if he ran for president, that he would win the Democratic nomination, but he would lose badly to President Nixon in the November election.

Your horoscope can bring you wealth. Famous business tycoon, J. P. Morgan, used astrology to acquire his fortune. Morgan did not make a financial move without checking his natal horoscope forecast.

From an article in the Miami Herald came this story:

*"Stockbrokers on Wall Street are as likely to call an astrologer in this decade as Hollywood film stars would call a psychiatrist in the last. David Williams, a 75 year old retired financial expert who lives in Clearwater, has made \$150,000 from the stock market in 13 years by using astrology as an investment guide."*

Your horoscope can show you the way to success and happiness in love and marriage. Horoscopes of Grace Kelly and Jackie Kennedy predicted their current successful marriages, Grace Kelly to Prince Rainier and Jackie Kennedy to Aristotle Onassis.

Princess Grace and Prince Rainier have recently had their horoscopes done together by American astrologer, Keith Clayton. As with these famous people, your horoscope can help you find and keep a lasting and meaningful love relationship.

Now and through the ages a good natal horoscope analysis has meant success for many people. In other cases many men have missed their opportunity; some with tragic consequences, such as Adolf Hitler.

Will you miss your success opportunities? Will you stumble into pitfalls you could have avoided?

Today, right this moment, you can have your natal horoscope cast and analyzed. You can get it for only the cost to make your duplicate copy. You get the expensive casting and analyzing process — FREE. The article below will tell you how. The means are available, but the choice is yours.
